PASQUALE
TROISE

SOFTWARE DEVELOPER

E-mail: troisepasquale1990@gmail.com

Website: pasqualet.com

PROFILE

I am a passionate developer, keen to learn different programming languages and frameworks, and eager to achieve tech skills, in order to create and design amazing products.

After 10+ years in the hospitality industry as a chef, I decided to pivot my career as I realized that I needed to completely change my professional path and to follow my dream career. I started coding for fun and I totally fell in love with it, so I decided to boost my programming knowledge with a code boot camp.

While I am looking forward to landing my first job, I continue studying on Codecademy to improve my skills and get new ones.

EXPERIENCE

FULL-STACK DEVELOPER

Freelancing (Sep 2020 - present)
- Developing, deploying, and maintaining web products;
